Re: *Pimsner v. Nexen*
03-CV-1373

Dear Judge Homer:

I am in receipt of Your Honor's order regarding the sealing of documents contained in our recently filed motions. The text in the Clerk's Correction of Docket Entry is correct. The memo of law in support of co-counsel's motion to preclude was filed as document number 54 (in support of the documents filed as document 52). Therefore, document 54 should be sealed and document 53 should be removed completely as being filed in error as explained in our previous letter request.

We apologize again for any inconvenience this may have caused and respectfully request you order the items be removed from the electronic filing system. Thank you for your consideration.

Very truly yours,

BOND, SCHOENECK & KING, PLLC
